# TOP HAT

Keeping classes classy
Student Guide

Hey! Your professor is using Top Hat this term to make lectures more fun and effective.

Top Hat is web-based so you can use **ANY** device to participate in class, ask questions, give feedback, and access review tools.

How it Works

Profs activate attendance, poll questions, discussions, and tournaments while lecturing

Students interact in real time and see the results

Track your performance in the Student Gradebook or access homework and review materials outside of class.
